have been provided to 131 large Post offices in the State of Gujarat and about 61.28 lakhs registered mails were sent through the post offices provided with computers.

(b) During the current financial year 2005-2006, it is proposed to provide computers to additional about 130 large post offices in the State of Gujarat subject to availability of funds and approval of the competent authority.

Opening of post offices in Gujarat

†3748. SHRIMATI SAVITA SHARDA: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) the number of post offices functioning at present in rural areas of Gujarat;

(b) the number of such villages where facility of post office is not available;

(c) whether Government have formulated any scheme for providing the said facility in those villages; and

(d) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) There are 8190 post offices functioning at present in the rural areas of Gujarat.

(b) There are 5167 Gram Panchayat villages in Gujarat which do not have post offices.

(c) and (d) Post Offices are opened subject to fulfillment of distance, population and income norms. This is an ongoing process. However, postal facilities in terms of daily delivery of dak, collection of mail and sale of postal stamps and stationery through postmen at the doorstep are available throughout the country, including Gujarat.

Illegal telephone exchanges in South India

3749. SHRI B.K. HARIPRASAD: Will the Minister of COMMUNICATIONS AND INFORMATION TECHNOLOGY be pleased to state:

(a) whether illegal telephone exchanges operating in South India with the connivance of private telecom players, have been found diverting international calls as local, causing huge revenue loss to Government;

†Original notice of the question was received in Hindi.

(b) whether at the instance of telecom department CBI had conducted an elaborate investigation into this racket; and

(c) if so, a summary of the findings of the CBI?

THE MINISTER OF STATE IN THE MINISTRY OF COMMUNICATIONS AND INFORMATION TECHNOLOGY (DR. SHAKEEL AHMAD): (a) No, Sir. No case of illegal telephone exchange operating in South India have been reported so far, where connivance of private telecom operator have been established, however, 109 illegal Grey Market Telephone Setups have been found diverting international calls as local calls by Vigilance Cells of DoT in different States of Southern India namely, Tamil Nadu, Kerala, Chennai, Karnataka and Andhra Pradesh. The year-wise break up of the case found in South India are as follows: —

1998	—	01
1999	—	0
2000	—	12
2001	—	15
2002	—	13
2003	—	07
2004	—	11
2005	—	50

(b) and (c) Yes, Sir. Vigilance Telecom Monitoring Cells of DOT, at Hyderabad and Chennai, recently, along with CBI have conducted investigations and detected 21 such grey market setup in the southern region and have jointly conducted raids to curb these setups. 7 persons have been arrested in these cases. All the equipment used in these setups have been seized by the CBI and cases have been registered against the offenders. Further investigations is in progress in all these cases.
